ABOUT FLABJACKS

FLABJACKS is the progeny of artist and illustrator Ton Mak. What began as escapist doodles quickly turned into its own fully formed world - a world of corpulent and odd folk, and of quirky inanimate thingymajigs brought to life! **FLABJACKS** has collaborated with top brands including Gucci, Lexus, Nike and Vans, making its distinctive and colourful mark throughout Asia, Europe and the USA.

Currently, the artist is based between her two studios in San Francisco and Shanghai.
